With this advice letter SJWC implements the authorized rates and conditions as established in Decision No. (D) 16-06-004 (**Attachment A**) dated June 9, 2016, which are designed to increase revenue by \$25,130,000, or 8.60% in Test Year 2016. These tariffs are submitted pursuant to General Order No. 96-B and pursuant to the authority established by the California Public Utilities Commission (Commission) in D.16-06-004. This advice letter is designated as a Tier I Advice Letter and will become effective pending disposition as of June 14, 2016. Public notice is not required as notice was completed at the time of SJWC's General Rate Case proceeding A.15-01-002.

This advice letter is submitted as authorized by Ordering Paragraph No.5 of D.16-06-004, which states that:

"5. San Jose Water Company shall file by Tier I Advice Letter the revised tariff schedules for 2016 attached to this decision and to concurrently cancel its present schedules for such service. This filing shall be subject to approval by the Commission's Division of Water and Audits. The effective date of the revised schedule shall be no earlier than five days after the effective date of this decision, and shall apply only to service rendered on or after the effective date."

D.16-06-004 – Attachment D, Tables G through K (included in Attachment A), provide the revised tariff schedules. SJWC's updated tariffs filed with this advice letter reflect these authorized rates.

In addition to implementing the revised rates SJWC has eliminated the existing Purchased Water and Ground Water Charge expense offset surcharges implemented in the years 2013 through 2015. The production unit cost increases associated with these surcharges have been included in the base rates authorized with this decision, thus the surcharges are no longer necessary.

Effective Date

This advice letter is designated a Tier I Advice Letter. SJWC requests that the rates become effective pending disposition upon filing on June 14, 2016. The present rates of the SJWC became effective March 30, 2016 by Advice Letter No. (AL) 483A. Currently SJWC has Advice Letter 487 pending before the Commission.

Protests and Responses

- (1) The utility did not properly serve or give notice of the advice letter;
- (2) The relief requested in the advice letter would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- (3) The analysis, calculations, or data in the advice letter contain material error or omissions;
- (4) The relief requested in the advice letter is pending before the Commission in a formal proceeding;
- (5) The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
- (6) The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission).

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. When submitting a response or protest please include the utility name and advice letter number in the subject line. The address for mailing or delivering a protest is:

Tariff Unit, Water Division, 3rd floor
California Public Utilities Commission,
505 Van Ness Avenue
San Francisco, CA 94102
water_division@cpuc.ca.gov

On the same date the response or protest is submitted to the Water Division, the respondent or protestant shall send a copy of the protest by mail to us, addressed to:

GENERAL METERED SERVICE WITH
Automatic Fire Sprinkler System (Continued)

SPECIAL CONDITIONS

1. Any service to a residential customer who requires a larger meter because of fire flow requirement to a fire sprinkler system will be billed (i) a meter service charge, for the appropriate meter size determined based on the normal water use of the customer excluding the fire flow requirement; and (ii) an upsize charge, determined by the difference between the actual Meter size required including the fire flow requirement and the appropriate meter size required without the fire flow requirement; and (iii) the quantity rate based on the quantity of water used.
2. For the purpose of fire protection under this schedule, the utility will supply only such water at such pressure as may be available from time to time as a result of its operation of the system. Section 774 of the Public Utilities Code limits the liability of the utility resulting from a claim regarding the provision or maintenance of an adequate water supply, water pressure, equipment or other fire protection facility or service. Acceptance of service under this tariff is acknowledgment of notice of the provisions of Section 774 of the Public Utilities Code.
3. All bills are subject to the reimbursement fee set forth on Schedule No. UF.

GENERAL METERED SERVICE
Mountain District
(Continued)

3. To fund the Water Rate Assistance Program (WRAP) for residential low-income households, a surcharge of \$1.45 per month will be added to the bill. (I)

4. It is the Company's intent to provide service to all its customers to the full extent of its capacity to serve, except that in the event that there is a substantial risk to the Company's ability to maintain service to customers in the Mountain District, the Company, at its sole discretion, may temporarily interrupt or reduce service to such customers.

Such interruption or reduction of service may occur when (1) customer consumption, or (2) significant electrical, mechanical or supply issues challenge the Company's ability to meet demand for service. Should service be interrupted, the Company shall give timely priority to remedies that are within its control to alleviate the need for the interruption of service.

The Company will inform customers of planned improvements to its facilities serving the Mountain District through its annual system status report to Redwood Estates Services Association.

When service is interrupted, the Company agrees to promptly notify the interrupted customer's designated representative (one per mutual water company). Such notification shall be provided by telephone or by a reasonable alternative method specified by the customer and acceptable to the Company. It is the customer's responsibility to provide the Company, in writing, the name and contact information for its designated representative, to update that information, in writing when appropriate, and to ensure that any designated representative shall maintain an active answering system and e-mail address capable of receiving and recording service interruption information.

5. Each of the Mutual Water Companies served by San Jose Water Company in the Mountain District shall be charged one Service Charge, based on the Mutual's meter size. San Jose Water Company shall provide each of the Mutual Water Companies one single quantity rate usage allocation per customer individually served by the Mutual Water Company, as described under Quantity Rates per Ccf. above. Thus, each Mutual Water Company will be charged at the Single Quantity rate for usage up to 20 Ccf times the number of customers the Mutual Water Company individually serves, and will be charged at the Overuse Rate for usage in excess of 20 Ccf times the number of customers the Mutual Water Company individually serves.
6. To fund the repayment of a Safe Drinking Water State Revolving Fund loan, pursuant to D.03-07-013 dated July 10, 2003, a monthly surcharge will be added to the bill as follows:
